

# *How do you dream of your wedding day?*

Whether you are looking to have that dream elopement, small backyard wedding, or finally get to say "I Do" at that visionary venue you spotted a few years ago, we will be there to capture your special day.

On the next page, you will find the full wedding photography package guide. It is designed for the couple that needs a starting place and then room for customization, so don't hesitate to email me to set up a consult with your requests and questions!

Take a moment to review the guide and I look forward to chatting with you soon!

Cheers!
